Intro

TED
Thanks for bringing all your friends from zero to twenty here. It’s an honor!
Also, why is there no seventeen?

BOOK
We don’t talk about that.

WINTER
Yeah, because…

Song starts

BUTTER
We don’t talk about Lantern, no, no no.
We don’t talk about Lantern, but!
It was my wedding day…

TED
It was your wedding day?

BUTTER
And there wasn’t a cloud in the sky

TED
Cloudy’s too high for the sky!

BUTTER
Lantern walks in with a big scary grin…

TED
Thunder!?

BUTTER
Are you telling this story or am I?

TED
I’m just commentating.

BUTTER
Lantern says it looks like rain…

TED

Why did they tell us?

BUTTER
In doing so, they flood my brain
Too strong for umbrellas
Stopped in a hurricane
What a joyous day... but anyway
We don't talk about Lantern, no, no, no!
We don't talk about Lantern!

COBYT
Hey! Grew to live in fear of Lantern stuttering or stumbling
I could always hear them sort of muttering and mumbling
I associate them with the sound of falling sand, ch-ch-ch
It's a heavy lift, with a gift so humbling
Always left Fiona and the family fumbling
Grappling with prophecies they couldn't understand
Do you understand?

QUWYATT
A seven-foot frame
Rats along his back
When they call your name
It all fades to black
Yeah, they see your dreams
And feasts on your screams (hey!)

QUWYATT, COBYT, AND LANTERN
We don't talk about Lantern, no, no, no! (We don't talk about Lantern, no, no, no!)
We don't talk about Lantern (we don't talk about Lantern!)

BLUEBUZZ
They told me my fish would die
The next day: dead! (No, no!)

AHT
They told me I'd grow a block!
And just like he said... (no, no!)

CEKOBLOX
They said that all my hair would disappear, now look at my head (no, no! Hey!)
Your fate is sealed when your prophecy is read!

HOLLI

They told me that the life of my dreams would be promised, and someday be mine
They told me that my power would grow, like the grapes that thrive on the vine

FIONA
Óye, St. Clover’s on his way

HOLLI
They told me that the man of my dreams would be just out of reach
Betrothed to another
It's like I hear them now

STACI
Boss Baby, I want you to be aware…

TED
I can hear him now
Um, Lantern...
Yeah, about that Lantern...
I really need to know about Bruno...
Gimmie the truth and the whole truth, Bruno

FIONA
Holli, St. Clover’s here

BUTTER
Time for dinner!

EVERYONE
A seven-foot frame (it was my wedding day, it was our wedding day)
Rats along his back (we were getting ready)
When he calls your name (and there wasn't a cloud in the sky)
It all fades to black (no clouds allowed in the sky!)
Yeah, he sees your dreams (Bruno walks in with a mischievous grin-)
And feasts on your screams (thunder!)
You telling this story, or am I?
I'm sorry, mi vida, go on (óye, Mariano's on his way)
Bruno says, "It looks like rain" (a seven-foot frame, rats along his back)
In doing so, they floods my brain
Married in a hurricane
They’re here!
Don't talk about Lantern, no!

TED

Why did I talk about Lantern?
Not a word about Lantern!
I never should've brought up Lantern!
